

# 9th EuChemS

CHEMISTRY CONGRESS

Dublin, Ireland 7–11 July 2024

CHEMISTRY: ADDRESSING CURRENT AND FUTURE GLOBAL CHALLENGES

## Industry Day at the EuChemS Chemistry Congress 2024

### Network, Collaborate & Innovate – Partnership Opportunities

A unique opportunity to bridge the gap between academia and industry, fostering collaboration, networking, and innovation.

#### Why Participate in the Industry Day?

##### ➤ Insights from Industry Leaders

This is your chance to join the conversation! Showcase your expertise, share insights, and contribute to the industry discussion.

##### ➤ Panel Discussions

Participate in engaging panel discussions on topics such as "Collaboration between Academia and Industry," "Career Paths for Chemists in Industry," and "Emerging Trends in Chemical Research and Development."

##### ➤ Networking Opportunities

Connect with industry professionals, researchers, and innovators through networking sessions, facilitating meaningful conversations and collaborations.

##### ➤ Career Speed Dating Event

Identify and connect with talented individuals (with unique skills and expertise), who may be suitable for internships or job opportunities.

##### ➤ Exhibition Booths

Showcase your cutting-edge products, services, and innovations. Gain exposure to a diverse and influential audience of chemistry professionals.

Don't miss this chance to be part of a dynamic exchange between academia and industry, driving the future of chemistry forward! See our special Industry Day Packages below. To secure your place at the Congress, contact [expo@euchems2024.org](mailto:expo@euchems2024.org)

|               | Case Study 1                                                                    |
|               | Case Study 2                                                                    |
|               | Case Study 3                                                                    |
|               | Q&A                                                                             |
| 15:30 - 16:00 | Refreshment Break & Networking                                                  |
| 16:00 - 17:00 | <b>Panel Discussion:</b><br><b>Roads to Success in the BioPharmaChem Sector</b> |

## \*Company Challenge

Engage with young leaders through the European Young Chemists' Network programme. Utilise the talents and creativity of young career researchers to tackle real-world challenges within the chemical industry. Partner with us to propose a challenge and witness innovative solutions being developed by our talented participants.
